MYSORE TOPOGRAPHICAL SURVEY DEPT.

NOTIFICATION.

The 12th July 1884.

The detail survey for the large scale map of Bangalore will be commenced on or about the first August next in that part known as the High Ground, and in the neighbourhood thereof. In order that the necessary measurements may be made, owners and occupants of houses are particularly solicited to afford facilities for access to their lands and compounds to the Surveyors employed upon this duty, who will on their part take every precaution that the privacy of dwellings is not invaded and that no damage of any sort is done to property. As the operations must at times be carried along the roads, the public are requested when driving or riding to exercise caution in passing the Surveyors at work, so as to avoid the risk of their horses being freightened or more serious accidents happening.
